

The letter for – *When Times are Tough*

Hey lady,

I'm sure you've heard phrases like 'there are no rainbows without storms' – we know that, right? Of course we do. But while we're in the midst of the storm, what we need is someone to say 'let me hold this umbrella for you' while they're wearing their raincoat and gum boots. Here I am lady, I'm holding this giant umbrella over us, standing with you, holding space for you.

Though I wish I had a magic wand to wave over you instead, I just don't. So, while the work to endure the storm will be weathered by you, you are not alone; I hope is that me and my fabulous umbrella will provide a little cover from the rain until you catch sight of that cliched, but still spectacular rainbow on the horizon. Because we sure as shit are going to dance in that sunshine together.

I've got you lady.
